BESPOKE CUSHIONS

emilyziz.com | info@emilyziz.com | 02 9380 4180

Emily Ziz offers a ready made cushion service with print patterns from the Emily Ziz Print Catalogue, or using custom designs, as required for your projects.

In the pages to follow there are a range of cushions categorised by colour and theme for you to select from. Alternatively, you can select any design from our Print Catalogue:
<https://www.emilyziz.com/print-catalogue>

As with all Emily Ziz patterns, we can adjust the design, scale and colour of the patterns for the cushion covers.

The minimum order quantity for the bespoke cushions is 10 units per order.

Within this catalogue we have highlighted the most frequently requested shapes, sizes and finishes, though please contact us if you have other requirements - we would be delighted to discuss this with you!

We manufacture the cushions using any of the Emily Ziz Fabrics and can also source alternative fabrics if required.

See all standard fabric base cloth options here:
